

DESPERATE HOUSECAT

MARIPOSA A848697

MARIPOSA is not happy in the shelter environment! She is described by her previous owner as very shy, timid and playful. **MARIPOSA** is considered a cat's cat. Currently she isn't comfortable being picked up, and she doesn't seem to need human companionship. If you have a quiet home with a cat that needs a buddy, she would be ideal. In time, with a lot of patience, **MARIPOSA** may learn to trust humans, and be comfortable around them.
