

# DESPERATE HOUSECAT MATHILDE A881888

**MATHILDE** is a cat who knows what she wants: a lap, catnip, and lots of petting! This gal is extremely friendly, even when she first arrived at the shelter. She caught a kitty cold, and **MATHILDE** was very easy to handle for her treatments. Now that she's fully recovered, she's very ready for her forever home. **MATHILDE** enjoys being brushed and is very content to sit in your lap after she's through playing with a catnip toy. We aren't sure how **MATHILDE** is with other cats, but she may be fine if slow introductions are provided.
