

DESPERATE HOUSECAT MIA A746909

MIA is extremely sweet and affectionate! She arrived at AAC as a stray, sick with a kitty cold, very thin, and covered in fleas. After being treated for her cold and fleas, we moved **MIA** into a foster home for a well-deserved break. She enjoys being brushed, and really likes sitting in a lap. She still needs to gain some weight, but **MIA**'s got a good appetite and is making progress. She is great with her foster siblings (she likes to sleep next to one of her new buddies).
