

# DESPERATE HOUSECAT MITTENS #A723354

There is a **WHOLE** lot of **MITTENS** to love and she will love you back **EVEN MORE!** This super sweet gal was brought to AAC by her owner because of allergies in the home. She stopped eating (which can cause serious health issues in large cats), so we quickly moved **MITTENS** into a foster home. Once she relaxed and started eating, her sweet, lovable nature emerged. **MITTENS** LOVES nothing more than to be with her human and get petted! She is very playful and has been known to hunt bugs (if she catches them she eats them – YUK). **MITTENS** can give love nips if she gets overstimulated. She gets along with other cats in her foster home, but prefers to be an only pet. **MITTENS** needs an adopter who is committed to helping her safely lose weight.

- ◆ 12 years old, brown and white tabby, spayed
- ◆ INTAKE: 3/30/16
- ◆ Loves petting; playful
- ◆ Lap Cat (at 19 lbs prepare yourself ☺)
- ◆ Will probably sleep with you given the opportunity
- ◆ Gets along with non-aggressive cats; would be happiest as an only pet
