

DESPERATE HOUSECAT MITZI A914404

Stinkin' adorable **MITZI** is tired of being in a kennel! She was brought to AAC as a stray, so shelter life is scary, noisy, and confining. We would LOVE to see **MITZI** out of the kennel and in a real home, either through adoption or through foster. She needs to stretch her legs and work off some energy. **MITZI** is a little shy when you first meet her, but then she loves being petted. She can get overstimulated and mouthy, so watch for warning signs.

- ◆ 1 year old, torbie, spayed
- ◆ INTAKE: 9/30/2024

- ◆ Likes being petted
- ◆ Enjoys cuddling once she knows you
- ◆ Seems fine with other cats; Unknown with dogs; Not recommended for children
