

# DESPERATE HOUSECAT MOONPIE A764202

**MOONPIE** is completely blind but don't try to tell him that! He can do just about everything a sighted cat can!

This sweetheart love bug is playful, inquisitive and fearless. **MOONPIE** loves to play fetch with his foster mom and will retrieve the ball over and over for as long as she is willing to throw it. He is social and confident with new people, able to navigate the room easily and has no trouble jumping onto furniture once he gets the lay of the land. Once he's tired out from playing, **MOONPIE** enjoys snuggling and purring in a lap or on your chest. **MOONPIE** is a darling boy.
