

DESPERATE HOUSECAT MORGAN A759587

MORGAN is VERY shy, so living in the shelter has been tough on her. She was brought to AAC because her owner could no longer take care of her. **MORGAN** is a lap cat and is playful. She loves being brushed, and will sleep with you at night. **MORGAN** has previously been bullied by other cats and dogs, so she is understandably afraid of them. She will thrive in a home with a patient adopter who has no other pets.
