

# DESPERATE HOUSECAT MORTICIA A866603

**MORTICIA** was brought to AAC as a stray with her brother **GOMEZ A866602**. They don't need to go home together, but they get along very well if you're interested in adopting a pair. **MORTICIA** qualifies as a CACTUS CAT (<http://austintexas.gov/page/cactus-cats>) because she is very shy with humans. Thanks to clicker training provided by staff and volunteers, she is building her trust. **MORTICIA** is good with other cats, so she would probably flourish in a home with a cat buddy. She is low maintenance and easygoing. **MORTICIA's** best adoption will be into a quiet home without young children, with plenty of time to acclimate to a new environment and to new people.
