

DESPERATE HOUSECAT

MURPHY A756398

- ◆ 5 years old, American Shorthair, black/white spayed
- ◆ INTAKE: 8/18/2017
- ◆ "Sit-beside-you" cat
- ◆ Camera-shy but warms up quickly
- ◆ Good with other cats
- ◆ Unknown around dogs and children

MURPHY came to AAC as part of a large hoarding group and was very frightened at the shelter when he arrived. He's warmed up significantly since then and will now tolerate petting and human attention. That's a step in the right direction, because this handsome guy is one you'll want to touch!

MURPHY is good with other cats, unknown around dogs and unknown around children. We think he'd do well with a cat-savvy owner who will let him come completely out of his shell in the right environment filled with love and patience. Do you have the right home for **MURPHY**?
