

DESPERATE HOUSECAT OWL A735403

OWL is petite, adorable, and a little shy. She was brought to AAC with a large group of cats that were rescued from a hoarding situation. She tended to hide in the shelter environment, so we moved her into a foster home. It wasn't long before **OWL** was seeking affection from her foster mom. She's a lap cat, and is very playful. **OWL** loves to be petted all over, including her belly, and she will give you 'luv nips'. She enjoys watching the outdoors from a window sill, and is great with other cats.
