

# DESPERATE HOUSECAT PERCY A740277

**ATTENTION: CAT SEEKING HUMAN!** **PERCY** is beautiful and demanding! All she wants is someone who is willing to share the bed (or pillow) and allow her to sleep as close to them as possible. **PERCY** was abandoned by her owner and was brought to AAC by their neighbor. Now living in a foster home, she is a vocal girl who is constantly looking for pets and cuddles. **PERCY** has lived with other cats, but she needs a slow introduction and patience to adapt. She definitely wouldn't mind being the only cat in the home! This affectionate girl will run the house and will win you over by giving you headbutts and kisses.
