

# DESPERATE HOUSECAT PINECONE A881693

**PINECONE** was brought to AAC as a stray with several other cats (they were living in an unsafe area). She loves other cats, but humans not so much. Because she's so shy with humans, **PINECONE** qualifies as a **CACTUS CAT** (<http://austintexas.gov/page/cactus-cats>). Through clicker training, she is learning to trust humans and to interact with them in a positive manner. **PINECONE** will probably be happiest in a quiet home with at least one cat buddy.
