

DESPERATE HOUSECAT PUFF A886646

PUFF arrived at AAC after being abandoned in an apartment! Understandably, he is learning to trust humans again. He is very shy, so **PUFF** qualifies as a **CACTUS CAT** (<http://austintexas.gov/page/cactus-cats>). He is great with other cats, and counts on them for comfort. A home with at least one cat buddy is essential. A cat friend can help **PUFF** in his confidence and trust building. He tends to hide, but he can be very affectionate (once he knows you). **PUFF** will need time to acclimate to his new home, one that is quiet, with a patient adopter.
