

# DESPERATE HOUSECAT RJ A727414

**RJ** is such a 'sweet soul'. He was previously adopted from AAC and then abandoned by his owners (they put him outside to fend for himself). A few months later he was rescued by a neighbor who became his foster mom. She nursed him back from 'skin and bones' and now **RJ** is ready for his forever family. He **LOVES** a good belly rub and is very playful. **RJ** is great with other cats and children, but we don't know how he is with dogs.
