

DESPERATE HOUSECAT RAULA A885061

According to her foster mom, **RAULA** is sweet and polite, and we agree! She arrived at AAC as a stray with a bunch of kittens. The entire family moved into a foster home, and now that her kids have all been adopted, **RAULA** is ready for her own home. She **doesn't** tend to ask for attention, but offer it, and she's an eager recipient. She loves being petted, and seems comfortable sitting in a lap. **RAULA** is very playful, and is especially fond of wand toys. She had no issues with the other cats and dogs in her foster home. She's super laid back and is a joy to have around.
