

# DESPERATE HOUSECAT REGINALD A907903

Put simply, **REGINALD** is a NICE cat who's had some rough breaks! He arrived at AAC as a stray with a number of injuries, which have healed completely. He also caught a kitty cold and spent some time being treated for URI. Finally, poor **REGINALD** has been undergoing treatment for ringworm. **WHEW!** If anyone deserves to get out of the shelter, it's him! **REGINALD** has been very tolerant of living in a kennel and receiving so much medical attention. He would love to be in a real home, either through adoption or through foster.
