

# DESPERATE HOUSECAT

## ROMANO A763773

**ROMANO** lost his home when his owner passed away, and he and his other cat friends ended up at the shelter as a public assistance case. He (and his pal **BUTTERS, A763599**) has been at the shelter since early December, and have been understandably confused and upset about this big life change. **ROMANO** gets along well with other cats, but is really upset about being here. He warms up fairly quickly and just needs time to be reminded of the affection and attention to which he was once accustomed. This sweet boy just needs a patient, loving home and where he can be with his buddy, **BUTTERS!**
