

DESPERATE HOUSECAT

Lovely **SAHARA** has been returned to the shelter through no fault of her own, her owner is having surgery and there's no one to care for her. Super sweet and a little shy, **SAHARA** is a big girl who really needs to be on a weight-loss plan, and she needs help with grooming and brushing due to her size and long hair. She'd do best with an extra-large sized uncovered high-sided litterbox and clumping litter.

SAHARA has lived successfully with other cats and small dogs, has been reported to be good with older children, but would need a slow introduction period, as with any new pet.

- ◆ 8 years old, longhaired brown tabby, spayed
- ◆ INTAKE: 11/9/2017
- ◆ Likes to be brushed, tolerant of nail trims
- ◆ Loving, friendly, sweet and shy
- ◆ Good with other cats, fearful of dogs
- ◆ Probably good with older children
