SATURDAY COX A750863

- ◆ 14 yrs old, calico, spayed
- ◆ INTAKE: 6/1/2017
- ◆ LAP CAT, active senior
- ◆ Loves attention and petting; scratchers
- ◆ Unknown around other cats, dogs and children, but may be fine with a proper introduction.

After 14 years with the same owner, **SATURDAY COX** was surrendered when her owner lost his/her job. Too distraught at the prospect of giving **SATURDAY COX** up, the owner couldn't bear to leave notes, so we don't have much background on her.

SATURDAY COX has been a curious and nice cat with us, interested in catnip, scratchers, head and chin scratches and loves petting. **SATURDAY COX** is an active senior, who needs some fattening up. She'll reward you by being a good lap-warmer in the colder months, as she loves cuddling.
