

DESPERATE HOUSECAT SELENA #A732182

Stinkin' adorable, with a personality to match! **SELENA** arrived at AAC as a stray, and was so scared she was hard to handle (she also wouldn't eat). After a few days in a foster home, **SELENA** relaxed and started eating again. At first she was very shy with her foster mom, but soon she was rolling over for belly rubs. She is fantastic with other cats, and quickly became buddies with her foster siblings (especially **PETE** A732037). **SELENA** would be happiest in a home with at least one other cat to be friends with.

- ◆ 2 year old, black, medium hair, spayed
- ◆ INTAKE: 6/30/17
- ◆ Shy with new people; warms up quickly
- ◆ LOVES belly rubs
- ◆ Very social and friendly
- ◆ Great with other cats; unknown with dogs and children

To adopt **SELENA** or any animals at AAC, visit www.austintexas.gov/department/adopt-pet
