

DESPERATE HOUSECAT SHINOBI A749472

SHINOBI was 'Born To Run'! ☺ This energetic stray arrived at AAC covered in fleas, which caused some hair loss. Now that she's been treated and her hair is growing back, she's playful and can't wait to get out of her kennel. When you can 'corral' her, **SHINOBI** is a lap cat, and is very friendly and affectionate. She needs to be in an active household, with lots of space to 'be herself'. **SHINOBI** may be good with other cats and dogs, and we think she would be fine with older children.
