

DESPERATE HOUSECAT SIDNEY A758264

SIDNEY is absolutely the sweetest cat you will ever meet (there isn't one aggressive bone in her body). She was brought to AAC as part of a rescue from a hoarding situation. While she was living in a group room with several of these cats, **SIDNEY** spent all of her time hiding behind a bench, so we moved her into a foster home. With new people she is quite timid, but once she knows you, **SIDNEY** loves to cuddle in your lap (or next to you during the night). She's a HUGE fan of belly rubs, and will roll onto her back as soon as she thinks you'll give her one. 😊 **SIDNEY** is wonderful with other cats, but she's happiest when she's around humans, preferably cuddling on or next to them.
