

DESPERATE HOUSECAT SMOKEY A761685

SMOKEY is a BEAUTY with a DIVA personality. She gets overstimulated and will nip when she has too much attention, but she does enjoy petting. That's why we are recommending that **SMOKEY** go to a home with a cat-savvy adopter with a quiet home and no children. This sweet girl would prefer to be loved on her terms and can be very sweet – **SMOKEY** just needs the right home to care for her and give her a chance to spend her senior years in a loving environment.
