

# DESPERATE HOUSECAT SOPHIE A863208

**SOPHIE** arrived at AAC as a stray, and because she is shy and nervous with new people, she qualifies as a **CACTUS CAT** (<http://austintexas.gov/page/cactus-cats>). Staff and volunteers are working with her, and she has never been aggressive. She loves temptations treats, and will run after them when tossed. If you go slowly, **SOPHIE** seems to enjoy being petted. She'll lean her head into your hand, roll onto her side and stretch. She gets along well with her roommates, and is often seen hanging out near them. She needs a quiet home with a patient adopter who has plenty of temptations treats on hand. 😊
