

DESPERATE HOUSECAT STELLA A872757

STELLA is **SUCH** a good girl! She has been adopted and returned a couple of times (she's a bit on the sassy side), but she has **TONS** of personality! **STELLA** is friendly, outgoing, affectionate, playful, and **SMART!** Dedicated volunteers and staff are working with her through clicker training, and **STELLA** has quickly mastered 'high fives' and 'sit'. With a patient, experienced adopter, she can continue her progress. To keep her sharp mind and high energy level satisfied, **STELLA** would benefit from learning more tricks, and may even be easy to leash train (she'd be a great adventure cat).
