## SWEETIE A832694

**SWEETIE** is gorgeous, and definitely lives up to her name! Found as a stray by her previous owner, she lived strictly as an indoor cat, and wouldn't have it any other way. She is a bit shy when you first meet her, but will soon be coming to you for affection. As described by her owner, **SWEETIE** loves her people and spends her time lazily napping out in the open. She adored her cat and two small dog siblings. At one time she had a broken hind leg that has healed. She walks with a slight limp, and doesn't jump on counters or chairs. **SWEETIE** is playful and talkative. She LOVES toys and likes to move them around. She'll even 'bag' herself for fun! 😊 **SWEETIE** also enjoys drinking from a faucet (when she is able to climb up to it).
