

DESPERATE HOUSECAT THEODORE A820080

THEODORE (TEDDY) is a cute, cuddly, derpy little potato cat! He is a former community cat, and he's LOVING indoor life. He was brought to AAC because he was losing weight and was very lethargic. Turns out he had a number of teeth that needed to be removed. Now living in a foster home, **THEODORE** enjoys hanging out near (or on) his humans, and is always ready to cuddle and get head scratches. His hobbies include napping and zoomies, and he loves playing with wand toys. **THEODORE** has perfect litter box manners, and is food motivated. This gentle boy needs to be the only cat in the household, and is a perfect low key companion. We don't know how he is with dogs, but we think he will be wonderful with children.
