

DESPERATE HOUSECAT TOOT A874567

TOOT is a lover, not a fighter (as evidenced by the 'Pile o' Cats')! He came to AAC as a shy boy, which qualified him as a **CACTUS CAT** (<http://austintexas.gov/page/cactus-cats>). He's had months of clicker training, and now **TOOT** is cuddly and social. He's also playful, and is a huge fan of wand toys. His roommates are all drawn to him, so a home with a cat buddy would be ideal for him. **TOOT** may be a little shy when you first take him home, but he should acclimate quickly (give him a quiet place to hang out and be patient).
