

DESPERATE HOUSECAT

TRIXIE is wondering why she is still here? This sweet, friendly and pretty girl is super social and easy to handle. She is affectionate and enjoys lap time, as well as petting. **TRIXIE** gets along with other cats, is unknown around dogs and should be fine with well-behaved children. **TRIXIE** came in with a swollen ear and an upper respiratory infection, and she's been treated for both and is now ready to go home! If you like pretty Siamese/Snowshoe mixes, **TRIXIE** might just be the girl for you!
