

DESPERATE HOUSECAT VALENTINA A845244

VALENTINA is a beautiful cat! She was a wonderful mom to her five kittens, and now it's her turn to find a forever home. In the mornings **VALENTINA** is chatty, but she's not super talkative the rest of the time. She's athletic (her jumping skills are top notch) and she loves to drink water out of a cup (although she will use a bowl). She may enjoy a water fountain. Physical affection is on **VALENTINA**'s terms. She's not a snuggly cat but she will head-butt your shins when she's happy to see you. She's started taking naps closer to her foster mom's desk while she's working. She prefers back scratches to head scratches. The belly is not a trap but she has to be in the mood to show it to you. She's not fond of being picked up or cuddled, but that could change in time. Watching **VALENTINA** play is a delight. She loves all kinds of toys: plastic balls on a track, catnip stuffed animals, tiny plastic springs, laser pointer. She will throw and pounce and attack all of them (check out her video to see her playing with a banana peel 😊). See more **VALENTINA** on Instagram @alloftheboops
