

DESPERATE HOUSECAT WELLA A744415

Super sweet **WELLA** is also super shy. She was found as a stray kitten and 8 months later she was brought to AAC because her owner moved and couldn't take her along. She did not do well in the shelter environment, so we moved her into a foster home. **WELLA** is very comfortable with other cats, and quickly relaxed around her foster siblings. She is a bit wary of people, but if you are patient, she enjoys being petted and held. She loves to be brushed, and may be a lap cat once she knows you (she will also sleep with you). **WELLA** is very playful, and likes all kinds of toys. She may be fine with dogs and older children.

- ◆ 1 year old, torbie, spayed

- ◆ Playful; loves to be brushed

- ◆ Great with other cats (Cat's Cat)
- ◆ Would be happiest adopted into a home with at least one other feline; may be fine with dogs and older children
