

DESPERATE HOUSECAT WINNIE A747042

“Enough Already! Get me outta here.” 😊 **WINNIE** is tired of living in the shelter (she doesn't like other cats). She was brought to AAC by a Good Sam after being run over by a car. After several months of surgery and physical therapy, she's as good as new (with just a slight limp). **WINNIE** is very affectionate, and loves to be petted and held. She can sound a bit 'surlly' at times, but it's all an act. 😊 **ADORABLE Behavior:** When you pet **WINNIE**, she will often lick or nibble at her paw in response. We don't know how she is with dogs, but she may do well with older children.
