

# DESPERATE HOUSECAT AGATE 31678

Look at those eyes! Gorgeous **AGATE** was being cared for as a community cat, and was brought to AAS because the area became unsafe. She is very sweet, yet shy. She tends to warm up quickly and loves being petted if you go slowly. She'll even give you elevator butt. **AGATE** is a member of our **CACTUS CATS** program - <http://austintexas.gov/page/cactus-cats>, where she is receiving extra attention from staff and volunteers to help her relax and gain her confidence. **AGATE** will do best in a quiet home with a patient adopter who can give her the time she needs to adjust. She is just waiting for the right person to give all of her love to.
