

DESPERATE HOUSECAT BEAU 32530

BEAU isn't just handsome, he's also friendly and affectionate. He was brought to AAS because his owner could no longer take care of him. They described him as **super sweet and cuddly**. He was soon adopted, but found himself back at the shelter after just one week. **BEAU** is confused, and needs time to adjust and feel confident in yet another new environment. He is **playful**, and can get overstimulated (he may give luv nips). We'd love to see him out of the shelter, either through adoption or foster. **BEAU** lived with other cats, and may do well with a cat buddy (slow, proper intros are essential). Give **BEAU** plenty of time to adapt, and soon you'll be rewarded with a cuddly, playful lap cat.
