

DESPERATE HOUSECAT BLANCA 29025

BLANCA is ready for a calmer life. She is wonderful with other cats, but came from a situation with a large number of felines. She's shy and scared in the shelter environment, and will need patience and time to acclimate to a new home. **BLANCA** can sometimes be handled, and we think that in a quiet home with an experienced cat adopter, she will eventually relax and be a wonderful companion. **BLANCA**'s best situation will be with one or two cat friends.
