

DESPERATE HOUSECAT CAYENNE 26078

CAYENNE is a former community cat who was brought to AAS because her living situation changed and it was no longer safe. She has lived outdoors and had a compassionate caregiver, so she's used to working in exchange for food and shelter.

CAYENNE will probably enjoy having cat friends to keep her company. She is a member of our CACTUS CATS program - <http://austintexas.gov/page/cactus-cats> and is receiving extra attention from staff and volunteers. If you adopt **CAYENNE**, our Community Cats team will help with relocation.
