

DESPERATE HOUSECAT CHARMING 27438

CHARMING is...charming! He's mellow, affectionate, and enjoys being petted. He was rescued from an outdoor situation, and loves being indoors. Even in the shelter, **CHARMING** will seek out and accept attention from everyone. This lovely boy gives soft chirps, and when his tongue suddenly pops out, he's impossible to resist. **CHARMING** is so laid back, we think he will do well with other cats, given proper introductions.
