

# DESPERATE HOUSECAT CHILI PEPPER 20659

Who has two thumbs and is ready to be adopted?? **CHILI PEPPER!!** **CHILI** might be a little hesitant at first, but she'll absolutely be your b! In her foster home, she loves being where her people are! She's very interested in what everyone is up to, and she is constantly rubbing on her company to show her affection. Her favorite spots include the corner of the couch and any bathroom countertop or bathtub she can get ahold of (**CHILI PEPPER** LOVES the sinks. It's an odd preference for sure. See photo evidence). She is **easy going and very lovable**. We'd love to see her land a home and get to share her little personality! **Careful, you'll get lost in her gorgeous eyes!**
