

DESPERATE HOUSECAT CUPCAKE 22894

CUPCAKE is a lovely lady who's under a bit of stress at the shelter. She was brought to AAS because she didn't like sharing her owner with another cat. Now she's surrounded by other cats, stuck in a kennel. We'd very much like to see **CUPCAKE** out of the shelter, either through adoption or foster. **CUPCAKE** is an independent gal who is talkative, and who loves to play. Her fave game is 'hunting', and she'll often get the zoomies while she's looking for her 'prey'. She doesn't mind getting a manicure, and can usually be picked up. **CUPCAKE** may not be a lap cat, but she is usually right next to or near her peeps.
