

DESPERATE HOUSECAT MISTLETOE 27399

MISTLETOE is looking for a patient human who is very experienced with cats! She was living in an unsafe environment, and she and several other kittens (including **PINECONE**) were rescued and brought to AAS. She's not yet comfortable with people, so **MISTLETOE** will need lots of time to adjust to a new household. She is very scared in the shelter, so we would LOVE to see her out of the kennel, either through adoption or foster. **MISTLETOE** is wonderful with other cats, and needs to have a cat buddy in her quiet home, someone she can play and cuddle with.

- ◆ DOB: 1/6/2026, black and white, medium hair, spayed
- ◆ INTAKE: 6/5/2026
- ◆ Must have a cat buddy
- ◆ Playful
- ◆ Will require plenty of time to adapt to a new environment
- ◆ Great with other cats; Unknown with dogs; Not recommended for children

The adoption fee is **WAIVED** for **MISTLETOE** and ALL Desperate Housecats!
