

DESPERATE HOUSECAT MOLLIE 25753

MOLLIE is as friendly as she is gorgeous! She was living in a church yard (she was so friendly she would rub against church attendees), and was brought to AAS because she had a tail injury. Her tail was amputated and she moved into foster care to complete her recovery. **MOLLIE** is playful, very affectionate, and LOVES to be petted. She wants to be near her humans, and is probably a lap cat. **MOLLIE** is great with other cats, and can be adopted into a home with or without a cat buddy.
