

# DESPERATE HOUSECAT MONTE 30444

**MONTE** arrived at AAS as a stray, but he's definitely been someone's companion. He's confused about why he's in a kennel instead of a comfy home. Because he is older, we would love to see him out of the shelter, either through adoption or foster.

**MONTE** is friendly and likes being petted (he might need a little time to warm up to someone new). We don't know how he is with other cats, but given slow introductions, he may do well. **MONTE** is not asking for much: Three squares a day, a warm bed, and someone who will give him lots of love, which he will be happy to reciprocate.

- ◆ 13 years old, black, neutered
- ◆ INTAKE: 7/24/2026
- ◆ Enjoys being petted
- ◆ Easy to handle
- ◆ Friendly and laid back
- ◆ May be fine with other cats (proper intros); Unknown with dogs; Possibly good with older children
