

DESPERATE HOUSECAT MYNA 23278

Adorable **MYNA** has worked hard to raise her five equally adorable kittens, and now that they've all found loving homes, it's her turn to be spoiled. She'll happily greet you with precious little chirps when it's time for wet food, and she's just as content to graze on dry kibble throughout the day. When she's feeling playful, **MYNA** loves chasing wand toys and will proudly parade around the house carrying her favorite plush mice. She has done well with her foster's laid-back, couch-loving dog and will likely do well with a cat friendly canine, given slow, proper introductions. **MYNA** was a bit defensive around her foster's resident cats, but that could have been her mom instinct. She may do well with another cat with slow intros. If you're looking for a gentle, loving cat who's ready to leave motherhood behind and settle into a life of comfort, cuddles, playtime, and well-deserved pampering, **MYNA** could be perfect for you.
