

DESPERATE HOUSECAT OREO 29961

OREO isn't just dapper; he's double stuffed with affection and charm! He was owner surrendered to AAS due to allergies in the family. His perfect day includes window watching, chasing his fishing wand, enjoying treats, and lounging near his favorite people. **OREO** is a curious gentleman who loves to know what's happening around him. He may be a little shy initially, but he is always ready to investigate something or someone new. When he's not exploring, **OREO** is happily soaking up pets, and he's just as eager to give affection right back. He may get along with other cats, but slow intros are essential.
