

DESPERATE HOUSECAT PINECONE 27400

Do you have a lot of experience with cats? Then **PINECONE** is looking for you! She was living as a community cat in an unsafe environment, and she and several other kittens (including **MISTLETOE**) were rescued and brought to AAS. She's not comfortable with humans, so **PINECONE** will need time and patience to adjust to a new household and to new people. She is very scared in the shelter, so we would LOVE to see her out of the kennel, either through adoption or foster. **PINECONE** is wonderful with other cats, and needs to have a cat buddy in her quiet home, someone she can play and cuddle with.

- ◆ DOB: 1/6/2026, black and white, medium hair, spayed
