

DESPERATE HOUSECAT SAGE 25298

Stinkin' adorable, **SAGE** was brought to AAS with a number of other cats after being abandoned. Still learning that humans are good to have around, she is **very shy**. She is treat motivated, and if you approach slowly, she may eventually allow you to pet her. **SAGE** finds comfort in her roommates (she came in with **MARMALADE** and **TANGERINE DREAM**). She would love to be adopted with one of them, or have another feline in the home who will be her cat buddy. **SAGE** needs a patient adopter who will give her plenty of time to acclimate to a new home and to new people.
