

DESPERATE HOUSECAT SOUR PATCH KID 31676

This gorgeous boy was brought to AAS with his buddies after their community situation became unsafe. **SOUR PATCH KID** is very shy, but is known to be friendly at times. He has joined our **CACTUS CATS** Program - <http://austintexas.gov/page/cactus-cats>, where he is gaining confidence through clicker training. We think that given time and patience, **SOUR PATCH KID** will adjust well in a quiet household. He should have a cat buddy in his new family, one who can help him with his social skills. **SOUR PATCH KID** will likely make a loving companion once he's adjusted.
