

# DESPERATE HOUSECAT **STARLIGHT 17520**

**STARLIGHT** is a shy girl, and although she was rescued from a community, we think she had been someone's pet. She qualifies as a **CACTUS CAT** - <http://austintexas.gov/page/cactus-cats>, and is learning to trust humans again.

**STARLIGHT** loves being petted, but it's best to go slow and be gentle when approaching her. She should do well in a quiet home, and may prefer to have a cat friend to help her boost her confidence. She's been known to cuddle with humans that she knows well. Once **STARLIGHT** is in the right environment for her, she will no doubt relax and let her true personality shine.
