

# DESPERATE HOUSECAT SUNFLOWER 26475

Beautiful **SUNFLOWER** was being cared for as a community cat, and was brought to AAS so she could find an indoor home. She is very shy and sweet, and tends to hide, but she loves being petted if you go slowly. While petting her, she will relax and lean into your hand. **SUNFLOWER** is not currently comfortable being picked up, but as she becomes more confident, she may allow it. She is a member of our **CACTUS CATS** program - <http://austintexas.gov/page/cactus-cats>, and needs a patient adopter. She will do best in a quiet home with a cat friend.
